We thank departing committee members Wendy Hodges and Susan Marsicano for their many, many years of service to the Performance Events Committee, the Versatile Basenji Program, the BCOA members, and the Basenji fancy.

Our Committee's 2020 plans include redesigning the Versatile Basenji Program materials (web pages and award certificates) and updating the VBP titles grid to be sure all current AKC titles/recognized titles are included. We are looking forward to a fresh, inspiring look to foster new enthusiasm for competing to the highest levels with our Basenjjs.

Natalia Bystrova, a zoology post-graduate, representing the School of Applied Ethology (Israel) was advised by Mark Dunn, Executive Vice President of American Kennel Club to contact BCOA in order to receive a recommendation for AKC to support her data request.

They are conducting research on breeding timing of the Basenji breed and possible changes in the timing of estrus and whelping in dogs kept in urban settings. We are planning to analyze this timing in "primitive" breeds kept in different settings and compare it to the same timing in more "modern" breeds. This comparison may add new information into the "domestication syndrome" theory (A.S. Wilkins) and "destabilizing selection" theory (D.K. Belyaev).

With our hearty thanks to hard working member **Julie Jones**, we again present the newest, updated **Honor Rolls** with statistics through the end of 2019 at these links: <https://www.basenji.org/index.php/stud-dog-honor-roll> and <https://www.basenji.org/index.php/brood-bitch-honor-roll>.

Congratulations to all the basenjis new to the Honor Rolls this year. These dogs are representative of the breed at this time and it would be great to have a photo of each one to link to the names to keep developing the historical record of our breed. If you can provide a photo of one of the new dogs or even some past ones who have been missed, contact Susan at jcoe@bigpond.net.au.
