BCOA Announcement

IMPORTANT BCOA NATIONAL ANNOUNCEMENT

As we find ourselves facing the continuing uncertainty of the COVID-19 pandemic, the BCOA Board, in collaborative discussion with the 2020 BCOA National Specialty Chair, have arrived at a tentative plan and solution to provide the utmost safety to our members, as well as maintain our financial responsibility to the Club.

It has been decided that the 2020 Specialty location in Mesquite, Texas will be **moved to 2022**.

For this year (**October 2020**) plans will be made to hold an abbreviated **BCOA National Specialty at Purina Farms in Gray Summit, MO** as an outdoor show, only to use indoors if needed for inclement weather. We are actively working on ironing out all of the details and will announce them as they unfold. As mentioned, this will be tentative, as we still need to watch the next couple of months how the pandemic evolves.

Thank you for your patience and understanding during these uncertain times and please, stay safe.

Code of Recommended Practices Committee Report

The BCOA Board appointed a Special Committee to update Basenji Club of America Recommended Code of Practices.

See **BCOA BOARD BALLOT 2016-09 APPROVED**

SUBJECT: Code of Recommended Practices-Special Committee

The committee is in the final stages of bringing this Code of Ethics up to date to reflect current standards and practices. The proposed document is presented to the Membership for consideration and comment prior to finalization and ballot for approval later in the year. **The comment period for the membership will end on Tuesday, July 10 2020.**

Final proposal shall be presented to the Board and reviewed to ensure compliance to the directive, established policy, and the bylaws of BCOA. Upon Board approval, final proposal will be sent to the entire membership for approval. Given the significance of the Recommended Code of Practices, the Board will require a 2/3 vote of the membership to amend the current adopted Recommended Code of Practices. Passage shall constitute an affirmation of all members.

Basenji Club of America Recommended Code of Practices shall have a prominent place on the Club's web site and distributed to each new membership during the application process.

The comment period for the membership will end on Tuesday, July 10 2020.

The Committee will clarify what each member question/comment is, collect all comments received by June 30, 2020 and then discuss all comments with the board. Once all member questions/comments have been considered and a final revision is complete, the membership will be balloted for their approval during 2020.

Follow the links in the BCOA Announcement email to view and or download the current, proposed, and documents

BCOA BALLOT 2020-02 APPROVED

SUBJECT: Hosting Service Change

Effective: February 1, 2020

Our current network provider/domain host is Network Solutions. With many changes to Network Solutions over the past several years the quality of their products and the service they offer have declined severely. Members are not receiving important renewal and announce information. Our service agreement with Network Solutions does not end until Sept 2020. No refund will be available for months not used. There will be a cost, est \$300 to \$500 depending on the new hosting service plans, reissuing SSL certificates, etc. It will take a fair amount of effort to move the site, and make sure it is working correctly but the Website Committee feels the changes are necessary to keep in contact with the membership. Please indicate your vote to leave Network Solution with no refund thru September 2020 and spend the \$300 to \$500 (estimated) to secure a new hosting service plan.

APPROVED: Curby, Hesse, Hutchison, Ketz- Comment: [Glad to see we have discovered why we have been having so many issues especially during renewal period. Thanks to the website Committee team for all the work on this.], Marshall, Predale Nagy, Reisinger, Sapios, Work

Quick Update of Hips, Fanconi, and PRA OFA Testing Results:

Hip Dysplasia

	# Tested	Excellent	Good	Fair	Dysplastic (Mild-Severe)
1993	118	24%	68%	5%	5%
2019	100	27%	69%	3%	3%

Conclusion: Hip Dysplasia remains at a relatively low constant 3-5% in the breed. Neither better nor worse.

Fanconi Syndrome

	# Tested	% Normal
2007 (first year of testing)	1414	52%
2019	410	69%

Conclusion: Basenji breeders have made great strides in breeding away from Fanconi, although it should be noted that the number of dogs tested has declined precipitously, once most of the breeding stock was tested.

PRA (Progressive Retinal Atrophy)

	# Tested	% Normal
2013 (first year of testing)	460	74%
2019	244	76%

Conclusion: Breeders are not testing as much of their breeding stock for PRA as they are for Fanconi. PRA rates are essentially flat, neither better nor worse.

In 2019 BCOA earned \$111.02 from Purina® Parent Club Partnership (PPCP) Program

Thanks to all BCOA members that participated.

Since 2002, thousands of dog breeders have declared their participation in the Purina Parent Club Partnership (PPCP) Program. This program allows national parent breed clubs to individually earn funding based on Purina weight circle submissions by Pro Club® members. BCOA has been enrolled in the Program for several years.

Pro Club members submit weight circles from bags of participating Purina® Brand Dog Foods and accumulate weight circle points as part of the Pro Club Weight Circle Program. Points are accumulated throughout a calendar year, and a check representing 10 percent of the value of the submitted weight circles for the year is evenly split between the participating national parent breed club and the AKC Canine Health Foundation.

How to Participate in the PPCP Program

Breeders must be Purina® Pro Club® Members to participate. For all information related to this program contact the Purina® Pro Club® at: 1-877-776-2582 or <https://www.purinaproclub.com/why-purina/ppcp>

LURE COURSING HALL OF FAME

At the 2020 ACoD (American Sighthound Field Association Annual Convention of Delegates) held on March 21, 2020, our own **Judy Lange** was inducted into the **LURE COURSING HALL OF FAME.**

The Hall of Fame honors those individuals who have donated a great part of their life to improve and promote the sport of lure coursing for sighthounds. Since its inception, the sport of lure coursing has continually evolved. That evolution has taken place through the vision and energy of people who should be honored for their efforts on behalf of the sport. We shall endeavor to remember always those individuals who have given their time and energy to make lure coursing what it is today. Their commitment serves as an inspiration to those who would, in turn, take the sport to greater heights. The 2019 Hall of Fame inductees include two remarkable individuals. (Judy Lange & Jill Bryson)

Judith K Lange
Basenjis of Amun

Judith Lange, kennel name “Amun Basenjis”, was a decades-long advocate for the sport of lure coursing, and for ASFA in particular. She respected ASFA’s structure and would remind people that ASFA is “a grass roots, by-the-people type organization”. For 30 years Judy provided guidance and leadership in Region 1. Judy was the one to greet new people, make them feel welcome, and encourage them to be active with their hounds. For many Pacific Northwest coursing enthusiasts and Basenji owners under the age of 60, Judy was the first person in our sport that they remember meeting. She admired puppies, invited newcomers to club events, encouraged people to help on committees, and worked to keep people involved in the sport. Judy became a mentor and supportive friend to many over the years.

Judy was a member of the Evergreen Basenji Club (EBC). From the 1980s through 2019. She was almost always on the board and was usually an officer. Judy was EBC's Field Trial Secretary for many years, and coordinated the trials for many years as well. She hardly ever missed an EBC lure trial. She would also field clerk, organize inspection, train huntmasters, or otherwise do whatever needed to be done. (Judy was a founding member of the Twin Peaks Ibizan Club (TPIC) in the 1990s. She was instrumental in establishing and sustaining their lure coursing program.

Judy was also a member of the Basenji Club of America (BCOA). She served on the BCOA Lure Coursing Committee in the 2000s, where her collaboration and problem solving skills were greatly appreciated. She was the ASFA Region 1 Director in the early 2000s. Judy was instrumental in developing the Region 1 website (<https://asfaregion1.com>), which is an electronic gem that opened up communication among the Region 1 clubs, and provided a region-wide calendar and a centralized clearinghouse for information, including premium lists. Judy was also instrumental in putting Region 1 on Facebook.

Judy Lange, Amun Basenjijis, of Kent Washington, passed away on June 4th, 2019, just days after Evergreen Basenji Club's May ASFA trial, where she had been helping new exhibitors as they fumbled with their slip leads. Judy's sudden passing was a shock to us all. The Evergreen Basenji Club is honored to nominate Judy to the ASFA Hall of Fame for her contributions to growth, strength, and collaboration within the
