BCOA Announcement

Things to Do:

Volunteer on a Host Committee for BCOA Nationals

Volunteer for AKC Meet The Breed Event (page 7)

2021 BCOA National Specialty Auction Chair Sharron Schmidgall is asking for help now and at the National. I need to find an auctioneer. Ideally, I would like a volunteer who would like to act as **the auctioneer** at the Live Auction after the Banquet. But I am open to whatever works. If you have an interest in being an Auctioneer, please contact me directly. I need several volunteers who will be at Nationals and attending the Banquet and Auction to act as 'A Smiling Face to Walk Items On Bid Around And Chat Them Up'. I will need help manning the Silent Auction Tables throughout the week. The more help we have the longer the tables will be accessible to all who want to browse and bid each day.

Thank You For Your Consideration.Sharron

Schmidgallstonwykebasenji@aol.com or through 'messenger'.

BCOA BALLOT 2021-06 APPROVED

SUBJECT: Nat Spec Web/Facebook

Effective: March 8, 2021

Based on our interest to have and maintain a National Specialty site for future years, Basenji Club of America, Inc. will enter into the following agreement with Carmella Troisi-Hoerr Owner - Timberina LLC, New River, Arizona regarding her website services and the ownership for the domain basenjinationalspecialty.com. This will include both the National Specialty domain and National Specialty facebook using the current set up.

BCOA will be added on as the owner of the domain and adjust Ms. Troisi-Hoerr to a technical contact. Ms. Troisi-Hoerr is willing to continue working on the national specialty website with her non-profit rate which is \$25/hr. BCOA will review our service needs for Ms. Troisi-Hoerr yearly.

basenjinationalspecialty.com is paid and set to expire on 12/11/2022 so will keep Ms. Troisi-Hoerr's info in for billing until expiration. This expiration date gives time for any decisions BCOA wishes to make regarding the registry location.

Please indicate your vote.

APPROVE: Curby, Hamilton, Hartigan, Hesse, Hutchison, Jones, Ketz, Nagy, Sapios
DISSAPPROVE: Work - Comment: *I believe that BCOA should be the sole owner of the website; as a non-profit BCOA should not be expending funds when capable volunteers have offered to help at no cost. Further, no contract detailing expectations has been provided and the past experiences have left BCOA in the lurch. As such, I disapprove this ballot.*

BALLOT 2021-10 APPROVED

SUBJECT: Date Conflict 3- Affiliate Club Specialty Shows

Effective: June 14, 2021

To clearly identify this issue, from Policy Manual

SPECIALTY DATE APPROVAL:

- All affiliate clubs shall submit their specialty dates annually to the Event Coordinator/ Liaison for approval before sending a show application to AKC.
- While the BCOA Board discourages affiliate clubs from scheduling specialties that may conflict with another club's date in the same designated region, the Board shall consider, on a case-by-case basis, the approval or disapproval of such should a date conflict arise. The Events Coordinator shall notify the BCOA Secretary of any such conflicts. Consideration will be given to the distance between the two events and the impact of reduced entries to one or both clubs. The Board shall provide the Events Coordinator with its decision. [Ref. 2007-71]

Willamette Valley Basenji Club Specialty - July 23, 2021
South Coast Basenji Fanciers Specialty - July 25, 2021 (2020 make-up event)

Both clubs are in the west region. The board will not consider this as a conflict since these events are 1000 miles apart. Covid made 2020 a very difficult year and AKC is allowing cancelled

2020 events to be held in 2021.

The **AKC** is pleased to announce that an **enhanced DNA test kit** will become available July 2021, utilizing a new and improved way of submitting your canine DNA samples to AKC.

Submitting DNA samples is now simpler than ever. The new AKC DNA kits contain a barcode and an activation code, which customers will enter along with their contact and dog information via an online portal (www.dna.akc.org). No more pen and ink paper forms are required and customers will mail their DNA samples directly to AKC's lab in Lincoln, NE, greatly improving processing turnaround time.

Also, customers will now automatically receive email notifications of sample status, eliminating guesswork and letting customers know the status of their sample as soon as possible. Results and DNA certificates ordered will still be mailed directly to the customer when processing of the sample is complete.

The current non-barcoded AKC DNA test kits (both prepaid and regular \$50 kits) will be phased out in July 2021. Any AKC DNA kits purchased prior to the barcoded kit update will still be accepted for processing. The original procedure of mailing the sample, payment and completed forms directly to AKC DNA Operations will still be required for processing these old-style, non-barcoded kits.

For any questions or for more information, contact dna@akc.org or call 919-816-3508.
